

BOSE FLAGSHIP STORE LONDON

BOSE FLAGSHIP STORE

LOCATION: London

CLIENT: Bose

VALUE: Undisclosed

Gariff were appointed by Bose to undertake the turnkey fit out of their new flagship store on Regent Street, London. Works were detail designed and developed by Gariff from the design intent drawings produced by GreenRoom. In order to display their innovative products, scope of works included custom-made acoustic glass barriers, wall and ceiling panels. Also manufactured in our workshop were solid surface podiums, counters and all items of furniture required to house Bose's consumer experience technology. All works were completed in an 11 week program.

TYPE: Retail

DESIGNERS: GreenRoom & Darnton B3
