ASPERS CASINO

LOCATION: Westfield Stratford City, London, UK

CLIENT: The Westfield Group

VALUE: £760k

Built inside Westfield's Stratford City, Aspers Casino is over 65,000 sqft and Britain's biggest casino. Work for Gariff involved fitting out the Sky Bar, Clary's Restaurant, Tanzibar and reception areas. Specialist features in the Sky Bar incorporated a brass & mirrored panel feature wall, marble top bar with back-lit 3D panels & quartz tile back bar and bespoke made high tables clad with brass. A striking fret-cut solid surface back-lit bar was built and installed for the Tanzibar area and wood veneered high tables incorporating glass partitions were produced for the Clary's dining area. Additional specialist features included producing a back-lit entrance portal and custom-built curved upholstered cinema seating
