

BRYANSTON SCHOOL

Dorset, UK

TOM WHEARE MUSIC SCHOOL

LOCATION: Bryanston School, Dorset, UK

CLIENT: Midas Construction

VALUE: £510k

Gariff were commissioned to assist with detailed design and to fit out the new music building at Bryanston School in Dorset which later went on to win the Interior Wood Award for 2015. Bespoke joinery items were manufactured and installed for the auditorium, rehearsal rooms, bar area and library. Specialist works to the 300-seat auditorium included detailed design, manufacture and installation of variable acoustic wall panels with custom-designed adjustable mechanisms and stage diffusion wall mounted panels. In addition, the tiered seating area, solid oak feature balcony balustrade and acoustic value ceiling panels were manufactured in our workshop and installed on site by our team of experienced joiners.

TYPE: Education

ARCHITECT: Hopkins Architects
