CONNAUGHT PLACE

LOCATION: London, UK

CLIENT: SISK

VALUE: £1.7m

Connaught Place is an exquisite collection of just six luxury residences overlooking Hyde Park in Central London. These unique apartments were designed to the highest specification with opulent hand crafted interiors. Gariff were appointed by Sisk Building Contractors to manufacture all bespoke joinery pieces and fit out the exclusive facilities including dining rooms, private gyms, media rooms, home offices and bedroom suites. Each room within Connaught Place is individual displaying a palette of the finest, internationally-sourced materials available. Beautiful panelled walls and herringbone timber floors combine to embrace the Regency period features of the building yet introduce subtle highlights of a contemporary nature. Gariff are proud to have been a part of Connaught Place, winner of the Best Residential Renovation at the 2014 UK Property Awards.
