Manchester Airport, UK

# EMIRATES LOUNGE

---

**LOCATION:** Manchester Airport Terminal 1, UK

**CLIENT:** Emirates

**VALUE:** £1.2m

Gariff operated as principal contractor for the Emirates Business Class lounge at Terminal 1 Manchester Airport ensuring that the premium facility was delivered on-time as specified. The full fit-out package consisted of all finishes to walls, floors & ceilings, bespoke joinery and all mechanical & electrical services. Also included in the scope of works was a reception vestibule, business media centre, dining facilities, bar servery and luxurious bathroom & shower conveniences. All custom-made veneered furniture was made in our manufacturing facility and installed on site by our specialist joinery team who are based at Manchester Airport full time

**TYPE:** Airport

**ARCHITECT:** Smith Madden
