**LOCATION:** Liverpool Football Club, UK

**CLIENT:** Carillion

**VALUE:** £1.8m

Gariff's involvement with the new stand at Anfield was split into two phases involving both concourse areas and executive hospitality suites. Works to the hospitality areas included high-quality fit out of the VIP Lounge, Executive Level and 1892 Lounge. Production of all bespoke furniture was undertaken at our own manufacturing facility with specialist pieces created such as custom trophy display cabinets, timber brick-effect sponsored backlit feature wall and waiter stations incorporating televisions & wine bottle display. Several distinct bars and gantries were also built and installed using materials such as zinc, brass, leather, Corian® and marble.

**TYPE:** Stadia, Hospitality

**ARCHITECT:** Graven and KSS Architects (Joint)
