

NAPOLEONS CASINO MANCHESTER

NAPOLEONS CASINO

LOCATION: Manchester City Centre

CLIENT: ISG

VALUE: £650k

Gariff were appointed by ISG to fit out the new Napoleons Casino in Manchester City Centre. The scope of works included all bespoke joinery units such as bars, partitions, feature wine walls, reception desk and upholstered seating. Work was also undertaken in the bathrooms comprising of bespoke WC Cubicles, made-to-measure vanity units and decorative integrated plumbing system panels. Works to the internal structure incorporated decorative column encasements, bespoke door sets and wall paneling featuring brass trims and inserts. Work on site was approximately 10 weeks, with all manufacturing undertaken at our workshop in Trafford Park, Manchester.
