

TWO ST.PETER'S SQUARE MANCHESTER

TWO ST.PETER'S SQUARE

LOCATION: Manchester

CLIENT: Laing O'Rourke

VALUE: £180K

Gariff were appointed by Laing O'Rourke to assist with the bespoke elements within this Grade A office building in Manchester City Centre. Works to the impressive lobby area included the manufacture and installation of a large, custom-designed reception desk comprising of backlit Krion solid surface with wood veneered and brass fin detail. Also in the scope was a 9m by 5m backlit feature wall consisting of stained veneered and brass panels with a cut out design to echo the building's façade and branding. Other items manufactured in our workshop included bespoke credenza units with LED lit plinth and Larch veneered wall panelling to lift lobby area.

TYPE: Corporate
