

V-Room Virgin Lounge

Manchester Airport Terminal 2, UK

V-ROOM

LOCATION: Manchester Airport Terminal 2, UK

CLIENT: Virgin Atlantic

VALUE: £690k

Gariff were appointed as main contractor for the new V-Room Virgin Lounge at Manchester Airport's Terminal 2. This modern, colourful 400m² space overlooking the main passenger concourse accommodates up to 100 passengers and is divided into three areas suitable for kids, teens and adults. The fit-out package incorporated all finishes to walls, floors & ceilings and bespoke made furniture such as feature hexagonal wall partitions, servery bars, check-in & booking desks and media display walls. Additional features provided by Gariff included a games room with interactive floors & games and water-themed zone for babies with soft-play facilities & magnetic walls.

TYPE: Airport
